HAPPY 50TH, WECOMI

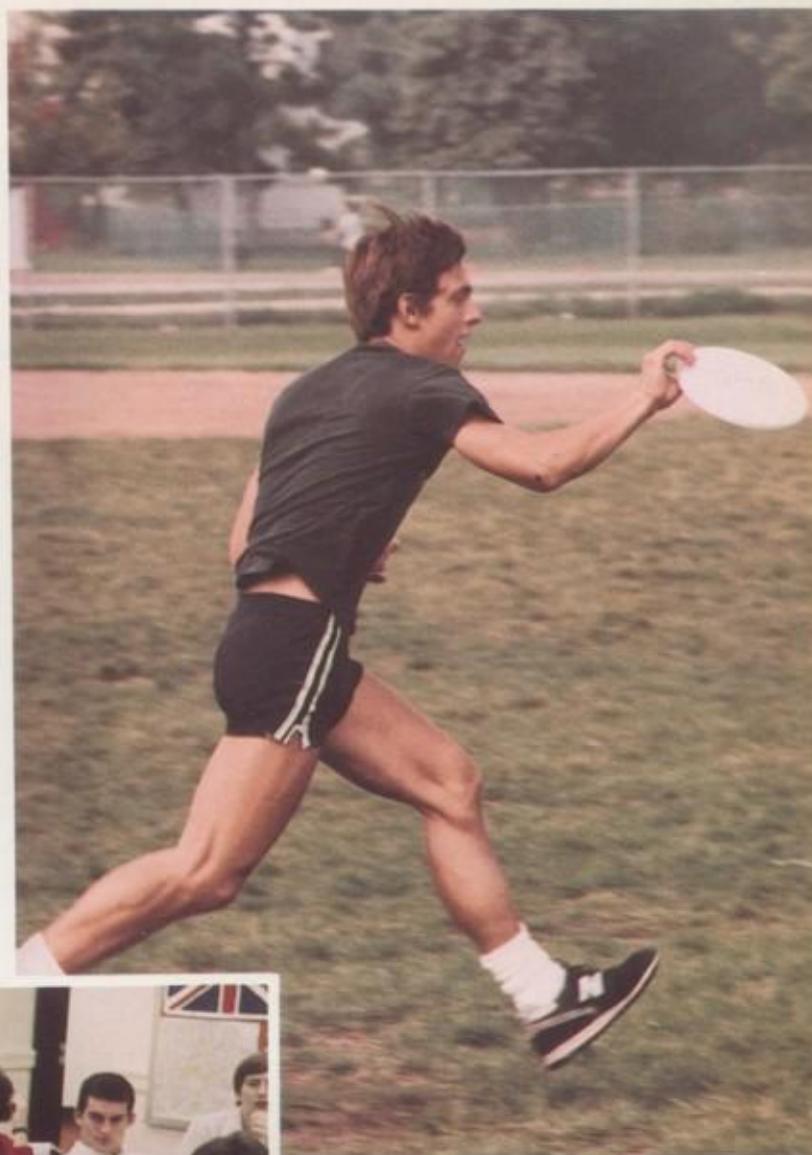

"Happy 50th, WECOMI"

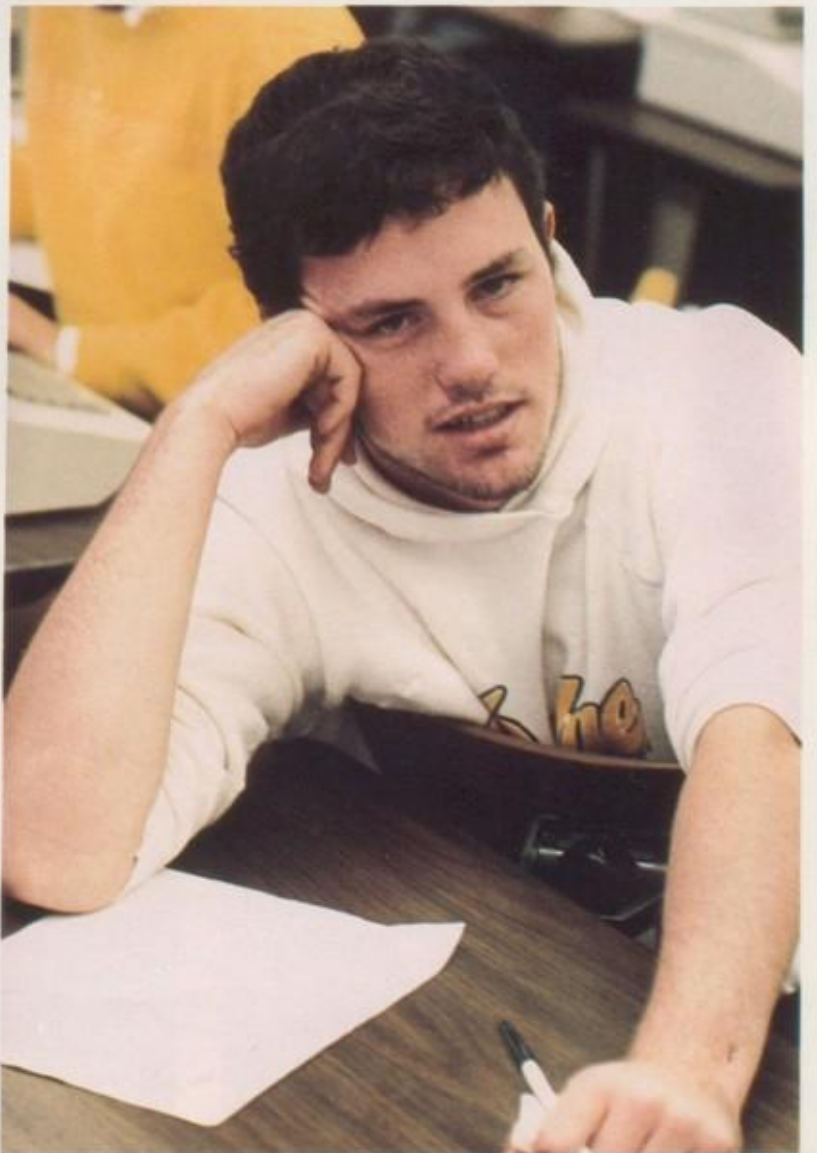

In 1936, the Wheaton Community High School Yearbook Staff decided to change the name of the annual from "The Orange and Black," to "Wecomi." The staff felt that the name "Orange and Black" lacked imagination and also placed them in regards to choosing covers and themes. They also wanted a name which was representative of the high standards of academia which this school has always had. For these reasons, the 1936 staff petitioned the school for the right to change the name of the yearbooks, and by popular vote among the students, that right was granted.

But what does "WECOMI" mean? If asked that many students would answer, "I don't know. I think it means welcome, but they spelled it wrong." Well, although the yearbook staff has always welcomed the students to contribute to the annual, that is not where the name comes from. "WECOMI" comes from the name of the school itself, which in 1936 was Wheaton Community High School. (WhEaton COMMunity high.)

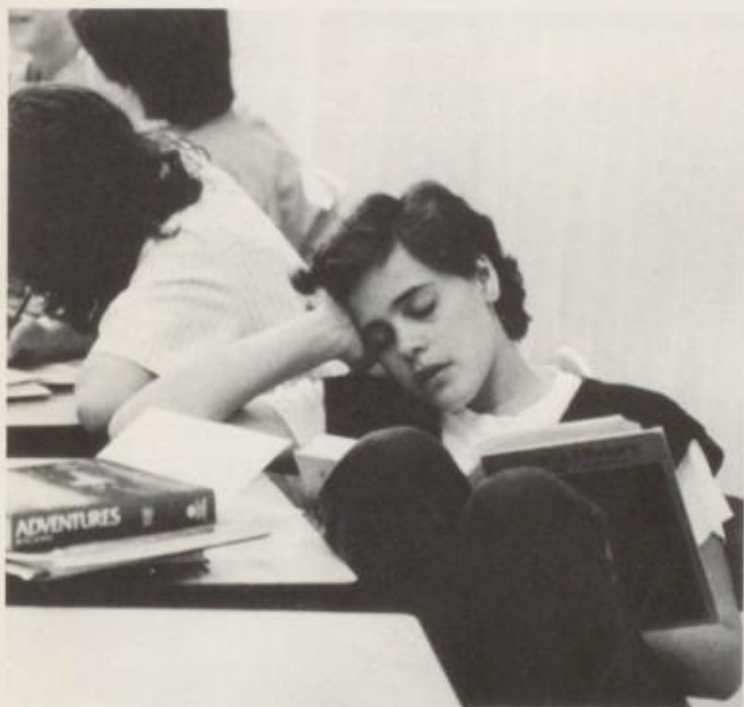

For fifty years the memories of our school's students have been kept forever strong through the Wecomi, and so will the memories of the future Tigers of Wheaton Central High School.

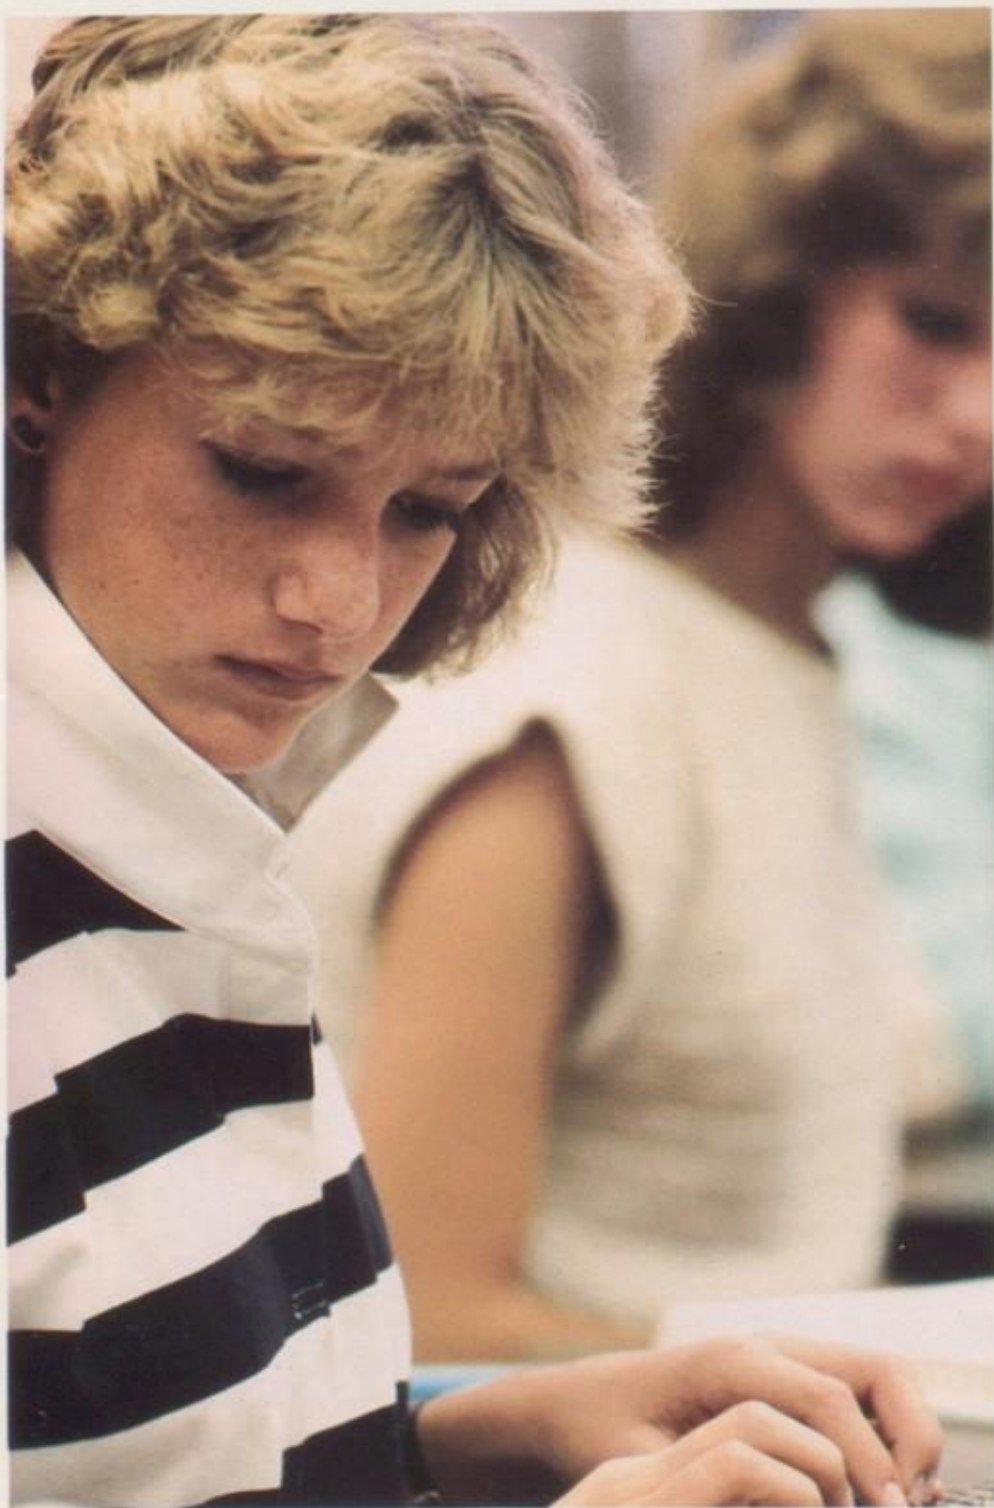

Happy 50th, Wecomi! Keep that Tiger Pride shining!

COMING

HOMECOMING COURT. Front Row: Lori Lopossa, Laura Johnston, Allison Gardner, Meg Humay, Sarah Bricker. Back Row: Ben Navigato, Burgess Watts, Erik Snowbeck, Eric Anderson, Jeff Piraino.

Monday, October 7, arrived with a wave of leis, jammer shorts, neon-colored Hawaiian shirts, grass skirts and sunglasses. In the sports arena that day, the boys golf team went up against other area teams in the conference and was 2nd out of 21 teams! Thus began Homecoming week, 1985.

Tuesday, fewer of the students dressed up, but those who did, were hilarious, as they tried to imitate their favorite teachers.

On Wednesday, Wheaton Central looked as if it was having a giant slumber party, as students walked the halls in their flannel nightshirts and fuzzy bunny slippers.

Thursday, was 50/60's day at Wheaton Central, and any visitor coming through our doors would have thought he'd just walked into a time warp! Letter sweaters, bobby socks, peacesigns and leather jackets haven't been so abundant here for 30 years. An after school activity on Thursday was decorating hallways for class competition and for the Homecoming game on Friday.

Friday the entire school buzzed with enthusiasm and Tiger Pride. The halls were covered in Orange and Black streamers, posters, spangles, and even students, as Friday was the traditional Orange and Black day. The pep assembly brought the excitement to a fever-pitch, and everyone was ready for the big game. Another event of the day which immediately followed the pep assembly was the delayed powder puff game. The senior powder puff cheerleaders in full dress, of course, did their thing. The Homecoming game ended in a Tiger trouncing of Glenbard North, 23-0. At halftime Allison Gardner was crowned queen.

On Saturday night, "Glory Days," the Homecoming Dance saw Erik Snowbeck crowned king while students danced to the music of Surrender.

A first in Illinois, the Wheaton Central varsity football team scored its 400th victory! They finished third in conference with a final record of 5 wins and 4 losses. Two of these losses were forfeits due to the teachers' strike. After a disappointing loss to Wheaton North, the Tigers proceeded to win their next three games by a combined score of 61 to 3. The Tiger defense ran up a string of 18 quarters without a touchdown. However, the string was broken during the game against Naperville North in which they were able to score a touchdown against us while in overtime and during a driving rainstorm.

All-conference honors were earned this season by Burgess Watts, Eric Anderson, Jeff Tripp, Andy Weisner and Ben Navigato. The Tiger team elected Scott Ohlman most improved while Greg Silletto was voted most inspirational. Bill Muir won the best defensive player award, while Burgess Watts won that of best offensive player. Jeff Barton and Burgess Watts shared the most valuable player award. Mark Marschitz was the recipient of the Larry Brock Best Lineman Award, and Bill Muir won the Don S. Garner award. Co-captains this year were Bill Muir, Burgess Watts and Eric Anderson.

The Junior Varsity team through its patience and persistence finished their season with a record of 2 wins, 3 losses, 1 tie, and 1 forfeit. All players were enthusiastic and should be congratulated for a great job!

Although the Sophomores were without a win in this '85 season, they kept their spirits high. All during the season, 51 players never gave up nor got discouraged. Their attitudes were great even through a final record of 0-6 and 1 for the A-team and 1-4 for the B-team. With their spirit, attitudes and physical size, they should be a great asset to the Varsity next season.

With over 70 freshmen out for the team, the group had a fine season on all three levels. Coached by Mr. Lockhart and Mr. Greenlee, they kept up a great attitude throughout the season, and worked on improving their skills. The A-group ended with a seasonal record of 4-1 and 2, the B-team's record was 2-2-2 with one cancellation, and the C-team had a final record of 2 and 3. The enormous turnout of this season and their great determination should prove successful for next year's sophomore squad.

VARSITY SOCCER. Front Row: Tony Kim, Ginny Puglise, Brian Maher, Bill Kohley, Jeff Temple, Dennis Genetski, Scott Isenhardt, Steve Horsfield, Mark Lewis, Dave Busboom. Second Row: Coach Buccifero, Jeff Gauger, Scott Shanon, Tom Hardy, Rolf Richardson, Paul Ryan, Tom Hall, Eric Olsen, Coach Ewoldt. Third Row: Mac Weist, Paul Schewe, Chris Greene, Jeff Piraino, Rob Carso, Tim Boyd, Scott Noon, Matt Spitznagel. Fourth Row: Scott Lipps, Dave Ritchie, Mike Populorum, Ken Sweder, Stone, Dave Bryson, Al MacMillen.

Under the leadership of co-captains Rob Carso and Dennis Genetski, four players received honors in the all conference selection. Senior Bill "Cuts" Kohley's physical fitness and instincts helped him become the teams leading scorer. Because of his

talent on the soccer field, Bill was named the Tiger's Most Valuable player and he was unanimously selected for the first team all conference. Seniors Chris "Gringo" Greene and Brian "Nate" Maher were named second team all conference because of their versatility, offensive punch, and hard-nosed defense. Goalie Rob Carso's instinctive play in the nets earned him honorable mention all-conference. Other players whose impressive abilities were recognized by both teammates and fans included Eric "Rick" Olsen, Jeff "Pep" Gauger, Dave "Guz" Busboom, Scott Noon, Dennis "the Menace" Genetski, and several others.

The adage "Soccer is a game of inches" has been repeated for years by players and fans alike, but to this year's Varsity team, soccer was "a game of seconds." Playing in the Regional Championship against Wheaton North the Tigers lost their final game of the season in the last few seconds of the sudden-death third overtime period. This gave the team a record of 7-7-2 for the season. Although this final loss seemed disappointing, the soccer team can take pride in their victory over 17th ranked Addison Trail and their tie with top-ten ranked Naperville Central.

This team also defeated perennially powerful Glenbrook North for the first time in Wheaton Central's history. Junior Varsity finished their season with a 2-6 record and are expected to aid next year's Varsity team immensely.

The sophomore soccer team made great advancements as well as ending with a fantastic record. Their total seasonal record was 11-3 and 1. Coached by Mr. John Fuller, the twenty-three sophomores improved their team skills, as well as individual skills throughout the season. The only improvement felt needed was a bit more handling skills. Most players felt it was an outstanding overall season.

Under the direction of Coach McClure, twenty-one freshman improved their skills immensely and had great fun throughout the season. Their final record was 6-7 and 3.

They showed consistency as well as determination throughout the season, proven by the fact that their scores showed neither a great losing streak nor winning streak as well as three tie games. Many of the players should be great assets to the sophomore squad next season.

GIRLS TENNIS

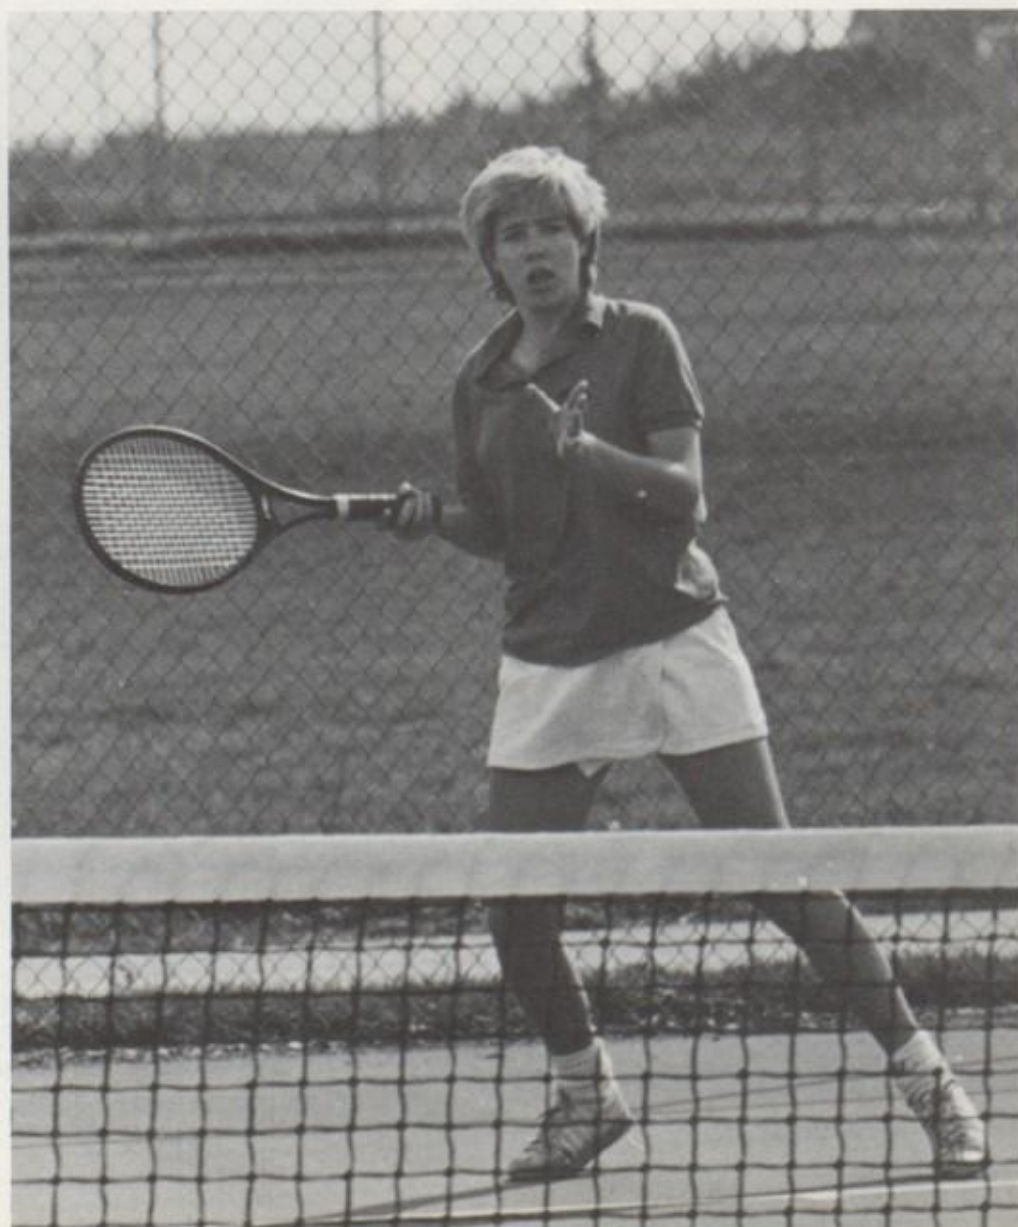

This year's Varsity Tennis Team had quite a strong finish. The group ended their season tied for second with Wheaton North in sectionals, and were sixth in the Dupage Valley Conference. Team captain Laura Johnston and Robyn Swatland advanced to state losing only to Wheaton North and Benet to receive a fourth place in their division. While at state, they unfortunately lost to Moline in the first round by a 2-6, 2-6 score. The team appreciated the encouragement as well as the pizza parties which kept enthusiasm at a high.

The Girl's Junior Varsity Tennis Team had quite a fantastic season, finishing with a record of 12 and 1. Practicing each day at Arrowhead the girls learned to better their concentration and improve their skills. The enthusiastic group was coached by Joy Pierson and Jim Thoma and captioned by Nancy Fox. Noted players were Katy Kroger at first singles, Jenny Arquilla at second and Sessie Schomas at third. Christine Larsen and Julie Demange were a great first doubles team while Sarah Thompson and Jenny Greco were a strong second. All the girls had a season to be proud of!

GIRL'S FRESH.-SOPH. TENNIS: Row 1: Karen Crowley, Amy Diehl, Corrine Shannon, Carin Boyd, Martha Kouba, Row 2: Carrie Olsen, Allison Peachner, Nancy Herndon, Heather Baily, Karen Schulbaum, Rachael Swatland, Row 3: Robby Klein, Sabrina Peck, Michelle Mandrell, Coach Jim Thoma, Liz Toohey, Erin Johnston, Melissa Carlin.

Coached by Jim Thoma the Freshman-Sophomore Girl's Tennis Team learned much. However, they didn't have many opportunities to prove their skills. This was due to the fact that most other schools don't have a fresh.-soph. team. What they did do however, was to play in exhibition games against other school's junior varsity teams. The one conference game played was unfortunately lost to Benet by a score of 0-5. Some noted players throughout the season were Rachael Swatland and Erin Johnston. The girls will certainly be a great asset to next season's junior varsity team and will look forward to the prospect of playing in many more conference matches.

VOLLEYBALL

All three volleyball teams were hurt by the strike as it forced them to play in middle school gymnasiums without coaches or pre-session competition.

When Mrs. Lois VanAcker came to coach the varsity team, she had her work cut out for her.

Though their overall record was 2-20, it doesn't show the many improvements the team made during the season.

Team effort and cooperation were the major overall improvements resulting in a stronger and more unified team.

Wheaton North will long remember the run for their money our girls gave them in the final game of the season.

The Junior Varsity Volleyball squad had to deal with the same problems as the varsity squad because of the teachers' strike. Also, they had to adjust to a new coach, Miss Lori Lowly. Some of the most outstanding players were Kathy Gross, Sue Blanford, Maggie Blinn, and Marianne Temple. Maggie and Marianne even played on the Varsity Team during the second half of the season. Although their record was 1-16, this doesn't show the close scores of many of their games.

The Freshmen Girl's Volleyball Team achieved the best results of all the volleyball teams with their record of 5-10. They had a rough start, but after long hours of diligent practice, the results began to change. Several notable players are Cecilia Rettig, who started on the freshman team and worked her way up to the JV team, and Karen Charles. Terri Morton, another team member says, "Coach Wilson worked us hard, and it finally paid off." Freshmen Volleyball is a great opportunity for girls to become involved in high school, get in shape, and have a lot of fun.

Coached by Mr. Jarom and Mr. Heatherington, the Varsity girls' basketball team had quite an image to live up to. Last year's team had gone down state, but since most of that team had graduated, the coaches had quite a task putting together a well-rounded team. Well, that is exactly what they did. The girls went to regionals, losing that first game, but finishing with a respectable record of 12 and 17.

Noted players were Yvonne Simmons, Lori Lopossa, and Kim Carter. All put forth a valiant effort, and worked hard all season to build a strong team we could be proud of.

Noted players were Marianne Temple and Liz Toohey, who would often get to play for the Varsity team. The girls had a great season and should be great assets to next year's Varsity team.

The seventeen girls that were on this years freshman team accomplished no small task when they took a first in the Tiger Invitational. It is often difficult for a freshman team to have a successful season due to the lack of experience. Though the girls finished with a 6 and 19 total record, they accomplished many feats. They learned to work together as a team, gained the experience of playing in game situations, and learned many new skills. The girls were quite talented and should go far both as a team as well as individually.

This year's varsity basketball team was quite a group to be proud of! They carried their wins through the regionals and finished with an overall record of 20 and 8. Early in the season, they took a first place in the Glenbard West Tourney and later a second in the York Tourney. With only three returning varsity lettermen, the group was able to build a strong team and improve their abilities throughout the season. This was due to their hard work and the discipline of Coach McGee and assistant Coach Leutkehans. Noted players were Mike Lomonoco, Bill Wainwright, Todd Martin, Burgess Watts, Ron Sherwood, and Scott Barton, with Mike Lomonoco and Bill Wainwright being named to the All-Conference Team. The staticians girls-Mundy Byrd, Kathy Tagye, and Stephanie Newman-should be thanked for their efforts throughout the long season.

Wheaton Central was sorry to see Mr. Don McGee retire as head basketball coach at the close of this, his 11th season. His low-key, yet disciplined approach to playing basketball has been well received at Central, with an average of 19 victories a season over the last seven years. He's had a fine career and a record to be proud of. Under his direction, the '80-'81 Tigers finished fourth in the state. Mr. McGee always strove to ensure a self-pride in his players as well as himself. The yearbook staff, on behalf of the players, staticians, faculty, and students, would like to dedicate this basketball section to Mr. Donald McGee as a token of our thanks for all of his work. He's been a wonderful coach and a good friend to all.

SOPHOMORE BOYS' BASKETBALL

Approximately fifteen sophomore guys worked hard all season under the direction of Coach Hoppenstedt and Coach Slavick. They polished their skills, learned new ones, and learned to work together as a team. The "A" team's final record was an overall 7 and 13, while the "B" team finished 4 and 7. Their diligence and efforts will be sure to yield competitive Varsity and Junior Varsity teams next season.

FRESHMEN BOYS' BASKETBALL

Coached by Mr. Stacey and assisted by Coach Thom, the freshman boy's basketball team learned many new skills as well as team cooperation throughout their season. Approximately twenty-five freshman guys made up this season's "A" and "B" squads. The "A" team finished with an overall record of 6 and 13, while the "B" team yielded a split of 9 and 9. Many of the games were near wins, but the clock unfortunately ran out of time. With the experience and skills the boys have obtained during this season, next year's sophomore squad looks to be quite promising!

WRESTLING

The Varsity Wrestling team did quite well individually, even though they had a bit of trouble as a team. The team didn't have as many participants as they would have liked, and were missing wrestlers in some of the weight classes. This explains the 0 and 17 record, but the guys hung in there and made Central proud. Co-captain Erik Snowbeck won 3rd in Regionals, Phil Tomek placed 2nd in the Turkey Tournament, was Conference champ, was runner-up in Regionals, received 3rd in Sectionals, and went on to represent Central in the State tournament. Doug Stahler was not only a co-captain, but he placed well in the Turkey and Hinsdale Tournaments, was 3rd in Regionals, and went on to Sectionals. Senior Rob Finzel also had a successful season. Mr. Fuller, through his determination and hard work, was able to produce a team to be proud of as well as many individual champions!

The Junior Varsity team, coached by Mr. Muhitch, had a good building year with Matt Molina and Tim Essex placing well in the J.V. Conference. Matt Molina did unusually well, placing 2nd in the Turkey Tournament earlier on in the year. Art O'Dell was also considered one of the team's strongest assets. The group anticipates a strong season next year due to the vast improvements made during the 85/86 season.

The Sophomore Wrestling team learned many new skills and techniques this season. Their overall record was 2 and 5, with one meet, against Glenbard South, being tied. The squad wasn't especially large this year, but Coach Muhitch was able to shape some fine wrestlers from the group. Large raw talent is evident, so with this year's experience behind the boys, next season should be twice as successful.

SOCCER/WRESTLING CHEERLEADERS

First Row: Chris Feiszli, Stacey Georganas, Michele Fedele. Second Row: Jolene Nork, Sheryl Chadra. Third Row: Krista Frank, Wendy Nichols, Shannon Swinderman.

This year's soccer/wrestling cheerleaders prepared for the season by spending many hours of work and play at cheerleading camp at Ball State, Muncie, Indiana. With the help of team captain Chris Fieszli and sponsor Donna Aimone, the squad perfected their cheerleading skills twice a week. Also, the squad prepared "goodie-boxes," made locker posters, tee-pee'd the players houses, and all in all boosted both teams' morale. The squad can look back at this season with smiles and fond memories of the friendships made and the good times had by all.

TIGERETTES

The 1985-1986 Tigerettes started off the season with a "big bang!" Each morning in the summer, they practiced 2 to 4 hours to prepare themselves for camp. Their hard work payed off when the 27 members captured the All-Around Championship Title at Badgerette Camp. To earn this title, the Tigerettes placed 1st in senior-kickline, 1st in showmanship, and 1st in their Originality Routine to "Walking on the Edge". This year, Beth Holum was chosen to be our team's representative, and won "The Miss Badgerette" Title with her routine to "No stopping Us" by Queen. Together the team went on to the Midwest Competition, where they placed 5th overall. Here, Beth went on competing individually where she placed 1st runner-up to the Ms. Badgerette of the Midwest.

With only 4 home football games this season, the girls didn't want to miss any performances, so they performed all four games in the pouring rain. With the end of the football season came the excitement of the basketball season.

Each morning, at 6:30 a.m., the Tigerettes practiced so that a new routine could be performed for each game. For each game they made the "hopps", and "munch boxes".

The 1985-86 Tigerettes were a close group, unified by their captains Katie Huber and Allison Gardner, and also by their devoted sponsor, Stephanie Oury. The squad can look back and see all the accomplishments they made, and the goals they reached. They can look back to the parades, camp, football games in the rain, the "O'Sheila" routine, Christmas routine with Santa Claus hats, the 6:30 practices, slurpees, the piggin-outs, and their last game with warm smiles. But through all the memories that each Tigerette holds, they will most fondly remember the friendships that were made.

Last spring, after a week of difficult tryouts, ten varsity and eight sophomore cheerleaders were finally chosen. Through late spring and all during the summer, the two squads worked diligently to invent, practice, and perfect the cheers for the upcoming games. The girls spent a week at camp in Valparaiso University in Indiana, where they were able to learn from and compete against many other squads from this area. The group had a great deal of fun at camp as well as receiving several honors. Varsity placed within the top ten while the sophomore squad received second place all-around. Karen Kaull got the best individual award while there. Co-captains Randy Slight and Meg Humay kept the enthusiasm going during the Tuesday and Thursday weekly practices. The girls' locker decorations and cookies, as well as their pep were a strong force behind our football and basketball players.

ACTIVITIES

CLASS

The senior class council's responsibilities increase, as does their anxious awareness of graduation on June 15. Many considerations must be taken into account for a successful graduation ceremony to transpire. Speakers, both student and faculty, must be chosen, as well as the senior gift. The 1985-1986 senior class presented lounge furniture as their gift, so that the seniors of the future years may have their own lounge where the orange lockers are now located. Several fund-raisers and school improvement plans were also carried out this past year to help them attain their goals.

The junior class council, through their many hours of planning, and with the help of Mrs. Loynachan yielded one of the most successful proms ever! It was held at the Carlisle in Lombard on May 23rd. Many fund-raisers were held to obtain the needed money, including several open houses, and the selling of St. Patrick's Day carnations.

GOVERNMENT COUNCILS

The sophomore class council spent a busy year holding fund raisers of various sorts. They needed to build up their account for next year, when they will be responsible for the Junior/Senior Prom. Many hours of thought and preparation have already gone into their planning of Prom '87, such as the finding of a location, a band, etc. The sophomore class council was also in charge of the Turnabout Dance, which was a huge success, selling approximately 150 tickets.

Third Row: Mark Goble, Nancy Jozwiak, Tracy Pierson, Jenny Hamilton. Fourth Row: Dave Olsen, Mike Svolos, Kari Lopossa, Arienne Piech, Marianne Temple, Liz Toohey.

The freshman class council's main objective is to build their money fund to use for future activities. Like the other class councils, many fund raisers and activities were held to earn money, such as the freshman sponsored open house. The group was also responsible for the organization and carrying out of the blood drive held at the end of February.

STUDENT CONFERENCE

The Student Conference was quite a busy group this year!

They held a rockin' Homecoming dance on October and sponsored several open houses. The group sold flowers and helped with the blood drive. They also sponsored a spirit week in late February, and the dating game that was held between Wheaton North and us during that week. They planned fun events and activities that helped to boost school spirit. Stu-Con was definitely a large, positive force over this past year.

This year's National Honor Society is to be commended for having continued to meet top standards of academic achievement and school leadership. Its members have been active in speech, yearbook, sports, drama, language clubs, and many other areas of interest. Sponsors Mrs. Henry and Mr. Bachtold, as well as president John Diehl, planned the initiation ceremony for the new senior inductees — candles were lit and many congratulations exchanged. In addition to the induction ceremony, the National Honor Society had planned an open house which proved to be a great success. The first business of National Honor Society concerned the induction of junior members, who are all to be congratulated for their outstanding achievements.

The Spanish National Honor Society, now in its third year of existence at Wheaton Central, was established to honor the students with outstanding abilities to speak and comprehend the Spanish Language. This year, they donated \$100 to the people in Mexico during the earthquake disaster. The group met in late fall for a Mexican dinner at "Que Pasa" restaurant in Naperville, then in the spring, experienced Spanish cuisine in Chicago. The emersion day in the spring with the Spanish Club was a great success. Dr. Alfred Samper is the advisor to the group and the officers are Sarah Richards as president, Diana Corbett as vice-president, Jane Swanson as secretary, and Lori Zahrodney was treasurer. The new members were inducted on February 24 during a candlelight ceremony in which the officers spoke.

Spanish Club is an opportunity for students to broaden their cultural awareness to areas outside of the U.S., and to have fun in the process. At Christmas time, the students got a taste of Spanish "dulces" when they had their Christmas party. A pinata was brought in and each member was given 3 chances at cracking it to get to the candies. Also, around this time, they were treated to authentic Spanish food with the Spanish National Honor Society. They planned for these events at the meetings which were held every two weeks where they concluded their discussion with "munchies" of various types. In March, they held an immersion day in the school where speaking English was prohibited. There they made crafts and played games, watched a Spanish movie, and made their own Mexican/Spanish meal. The preceeding officers this year were Diane Corbett - President, Kathy McCall - Vice-president, Julie Buric - Treasurer, and Mary McCall - Secretary. The advisor to the group was Miss Meg Sowa. For the last meeting they dined at their favorite Spanish restaurant and discussed their favorite memories of the year.

French National Honor Society recognizes the academic achievements of outstanding students studying the french language. To be accepted, a second year student must earn all A's in at least 3 semesters of French. In the spring, the W.C.H.S. Society chapter, under the direction of Nancy Irey, held an annual induction ceremony for the new members.

The event climaxes when the inductees pass a lighted candle and recite the Society's pledge in French, officially making them new members.

FRENCH CLUB

Although small in number, the members of the '85-'86 French Club were great in spirit! Supervised by Nancy Irey, French Club provided a great opportunity for students to learn about french culture and converse in French in a relaxed, fun environment. Members enjoyed french food, and celebrated traditional French holidays such as the Festival of Kings, Easter, and Mardi Gras. They also watched a popular current French film, played Family Feud and other games, and participated in several French exposure outings. The year climaxed with the annual spring trip to Chicago for a film, other cultural events, and dinner at a french restaurant. All members and officers (Cathy Woodhouse, Kim Strassburg - President, Kelly Hardin - Vice-President, Julie Betts - Secretary) were appreciated in helping make French Club a truly interesting and educational experience.

The distinction of being a member of the German National Honor Society is obtained by having earned at least two A's out of three semesters of German, and having at least an overall B average. This year's Honor Society has worked side by side with the STEP program to arrange the arrival of the German students. The group also planned the induction ceremony for the new inductees. President Brian Isenhart, as well as presiding officers Rob Haworth, Joel Piper, Chris Hoffman, Kevin Knight, and Mike Lilly have worked hard to carry on the continuing standard of excellence in the German program.

July 3, 1985, twenty-one American students boarded a Condor flight to Frankfurt, West Germany for a four week stay in the divided nation. The Americans settled in, made themselves right at home and quickly established two hangouts which they will remember forever. In the mornings they met at Cafe Hahn, and in the evenings they met at Dieter's Sudhaus.

The group's trip was not limited to hanging out in Neumarkt; day trips with the group included Nuremburg, Weltanberg, Regensburg, Rothenberg, Munich, the Bavarian Film Studios, and a glider flight from an airfield near Altdorf. They also spent a night in Frankfurt, and as the climax, a week in West Berlin.

During the school year the Student Exchange Program to Germany was busy preparing for the visit of the German students from Ostendorfer Gymnasium in Neumarkt, Bavaria. Many weeks were spent raising money, lining up hosts, and planning activities.

This year's exchange proved to be a great success. Their three-week stay was busy, but fun and exciting. Rick Sasko and Mike Impola coordinated the successful activities, which included an incomparable two night stay at the Wagon Wheel Resort in Rockton, a trip to Funway roller rink, a thrilling Chicago Sting indoor soccer game, and a pizza party courtesy of Astro Carry-Outs. The group was given a bus tour of Chicago, narrated by Dr. Watson, as well as a walking tour of Chicago.

When the Germans departed many intense friendships had been formed, many tears were shed, and promises of letters and visits were made. The cycle will repeat itself with the finalization of plans for the summer of '86 in Germany.

THE GERMAN EXPERIENCE

OUR FRIENDS FROM ABROAD

LEFT TO RIGHT: Jeanette Charmin, Marie Larson, Nohra Llana, Esther Rasch; NOT PICTURED: Sandra Sarabia.

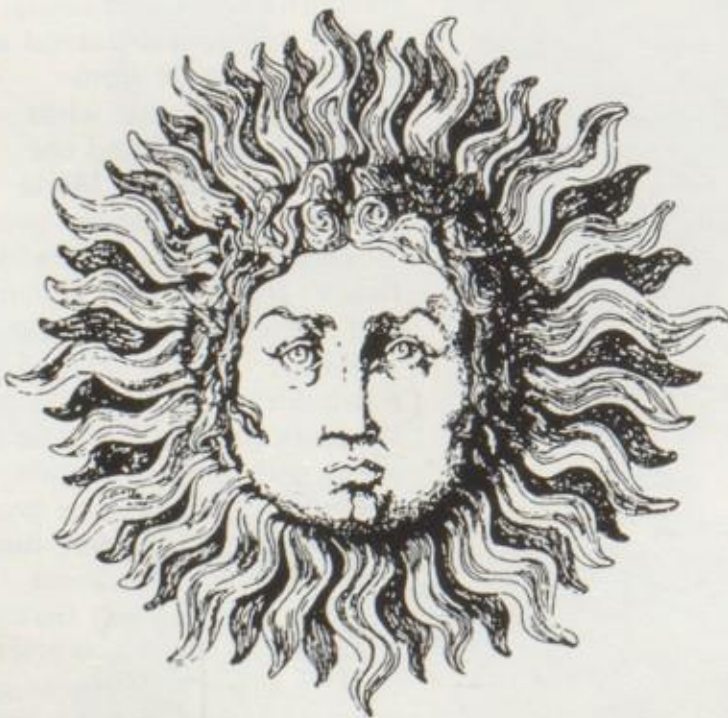

Wheaton Central was fortunate enough this year to have in its attendance five foreign exchange students. Each student came from a different country, yet all were delightful and entertaining. Esther Rasch, who stayed with the Hasses came from Hamburg, Germany, while Sandra Sarabia joined the Tigers from Bolivia. Marie Larsson's hometown is Stockholm, Sweden, Nora Llana flew to the U.S. from Columbia, and Jeanette Charmin told about life in Johannesburg, South Africa. Both faculty and students enjoyed the time they spent with these five girls, for their personalities were great! They helped to educate many students at Central about customs or traditions that are prevalent in other countries and made the students laugh in the process. All the girls had a terrific sense of humor. The Tiger would like to wish them luck always and we're glad to have found some new friends!

LATIN CLUB

First Row: Tom Mahoney, Ted Lesch, John Heaton. Second Row: Dan Gannon, Nancy Jozwiak, Liz Toohey. Third Row: Art Greene, Mr. Bachtold.

This year's Latin Club is quite a group! Led by Mr. Bachtold, the group sold candy bars in order to hold their annual pizza parties at Pal Joey's throughout the year. The money earned also went towards the annual Latin Banquet that is held each spring. In addition to the regular activities, the members of the group had a chance to travel to Russia the summer of '86 with Mr. Bachtold on a special tour of the country. All members agreed that they enjoyed the activities and the company they shared.

ART CLUB

First Row: Emily McEwan, Dana Slattery, Amanda Lenz. Second Row: Regina Shaw, Bethany Lankin. Third Row: Jim Kapellas, Elizabeth Arnfield, Laura Piech.

Art Club has had several meetings where demonstrations of new techniques were presented. The Art Club students had an opportunity to work with special photographic cartooning paper, scratch board, and air brushes. The techniques aren't normally learned in the art curriculum. The most exciting and challenging prospect was the making of an art video. The members, along with Mr. Baumgartner, traveled to Longfellow School and the SCRC where the students reviewed the instruction of making such a video. The members enjoyed and appreciated the opportunities presented to them that helped to better their understanding of the different medias and subject materials open to their imagination.

Since its establishment in 1984, the Wheaton Central chapter of S.A.D.D. (Students Against Driving Drunk) has grown both in number and influence. The highlight of this year was the hosting of a conference for schools interested in starting a S.A.D.D. chapter.

Under the auspices of Mr. Stacey and officers Jill Eckhoff and John Perry, our chapter of S.A.D.D. organized numerous fund raisers, appeared on local cable television, and strove to awaken the community to the problem of drunk driving.

Mike,
 Since you

 I should even

 since I'm such
 a sweetie I
 will! Have a
 great summer.

Despite a shaky start, THE PRIDE enjoyed a prosperous year, managing to come out with a new issue every month, some more notable ones being the Christmas and the Valentine's day issues. The Pride staff underwent many changes, with a different staff practically every week. Special thanks to the sponsors, Mrs. McNeal-Bulak and Miss Messina, and to staff who pulled more than their weight this year: the editor Shauna Kettinger, Chief photographers, Sunita Advaney and Pam Slater.

Ha Ha Ha Ha Ha Ha Ha Ha Ha

How many people, when they go to see a Wheaton Central production on stage, think about what goes on behind the scenes? The technical crew plays a big role in the performance of a show. It is responsible for coordinating the lights, adjusting the sound, building the set, managing the stage, and making sure that everything runs smoothly throughout the entire performance. Director Joe Gerace and Technical Director Donald Hood worked together to help shows like Godspell and the 1986 Variety Show become a success by directing both the actors and "techies" hand in hand to work together.

This year, the directors developed what they titled a Guild System. Members of the Guild received credit and merit based upon the number of hours they worked. Guild members could systematically work their way up to becoming a stage manager, light coordinator, etc. by earning hours and learning from more experienced members. This system has helped to develop a stronger technical crew and, therefore, a stronger theatre foundation.

So, the next time you go to see a show at Wheaton Central, try to imagine what's happening in the light booth or backstage. Remember, behind every good show is a good tech crew!

When the lunch hours neared, many students may have been under the belief that they had quite talented stomachs. However, the tunes that drifted to their ears were those of the concert chorus. Led by the dynamic Mr. Clementz, the group practiced hard each day. Their skill was evident when they delighted audiences at the Christmas Concert, the Spring Concert, and the District Music Festival. It is also obvious that the students enjoyed the class, judging by the large size of the group.

Under the direction of Mr. Terry Redford, the W.C.H.S. Marching Band practiced long hard hours, both in school and out. The group often had to practice in the non-stop drizzle or the freezing cold to be prepared for the outstanding half-time shows they thrilled everyone with. When the cold became intolerable and the football season came to a close, they moved inside and became the Concert Band. They held many concerts and took place in several area contests. In the Stagg High School Contest they took a third place. In April they attended the District Festival and placed well, likewise. The group also took part in many parades and festivities such as the Memorial Day Parade and the Harvard-Milk Festival. Their many hours of straining practice was evident from their playing abilities.

Under the direction of Mr. Fitchuch, the orchestra members thrilled audiences with their abilities. They had many opportunities to do so, since numerous concerts were given throughout the year. Besides several school concerts, the group took part in the Variety Show for the first time. They also gave an awesome Spring Music Concert with other schools in District 200. Some individual members had the honor of being a part of the Solo and Ensemble Contest. The Orchestra's concert for the Spring Art Show will long be remembered and they also took part in the North Shore Music School Concert. They obviously benefited from their 4th period practices each day, as well as on occasional Tuesday evenings as did the audiences that enjoyed their performances.

THE FACULTY VS. STUDENTS BASKETBALL GAME

Friday, February 14, 1986, brought students and faculty together for a boisterous pep assembly to be followed by the annual Faculty vs. Students basketball game. Approximately 20 senior guys, as well as numerous faculty members, participated in the high-scoring, wild-action game. The scoring was undetermined; however, the faculty finished ahead for the first time in many years.

SPECIAL EVENTS

The Spirit-Week Auction drew a large crowd.

The Cheerleaders and Tigerettes decided to auction themselves off as slaves for one day to the highest bidder. So, with the help of Chris Walker and auctioneer, Mr. Gerace, all squad members were sold to various people of the crowd that had swamped the commons area. The girls found it to be quite profitable.

Dr. Schimmels was both entertaining and educational in his presentation. The Library Learning Center, almost filled to its limit, was the designated area for the discussion of *I Was A High School Drop In*.

The Annual Blood Drive was sponsored by the freshman class council and was held in late winter. Wheaton Central High School collected well over last year's total of 160 pints of blood.

SPEECH TEAM

Their season starts in October, and ends in April. Their Saturdays are spent at different high schools spread around Illinois. Who are these people who wake up at 5 a.m. on a Saturday morning? These devoted students and teachers are the well-acclaimed Wheaton Central High School Speech Team.

Starting in the fall, the coaches J.B. Gerace, Donna Messina, Steve Behrens, and Lisza Alexander coached and prepared the competitors. Both the novice and varsity teams dominated the speech circuit by placing at every meet. The speech team had seven regularly scheduled meets. Two of these were spent overnight at Illinois State University and Bradley University.

One of the main goals of this young team was to win the Thornwood High School Tournament. This tournament was the toughest of the year, with the best competitors in the state. The Speech Team's determination enabled them to capture first place. At Regionals, eight out of twelve people advanced to Sectionals. Central advanced three people to State: Charlie Jensen, Jeff Temple, and Sandra Lin.

This year's squad had its ups and downs. Led by Seniors Carol Lucas and Jeff Temple, the team stuck together. Both varsity and novice worked hard, sometimes eating dinner at school, and staying until 9:00 pm at night. Wheaton Central's Speech Team will look back at the awards and accomplishments they made. They can look back to placing well at every tournament, winning the first place plaque from Thornwood, advancing eight people to Sectionals, and especially having had Charlie Jensen and Jeff Temple place 5th in State in Humorous Duet Acting.

Besides these competitive aspects of Speech, this year's team created a togetherness. From the pizza dinners at Dominoes, staying until 9:00 pm, getting in trouble for slurpees, going to McDonalds almost every night, and having the overnights, the members of the WCHS Speech Team did have a good year. Not only do they look back on the past, but also to the future, for Wheaton Central looks forward to next year's season at which time they will once again try to capture the State title.

WHEW, IT'S DONE!

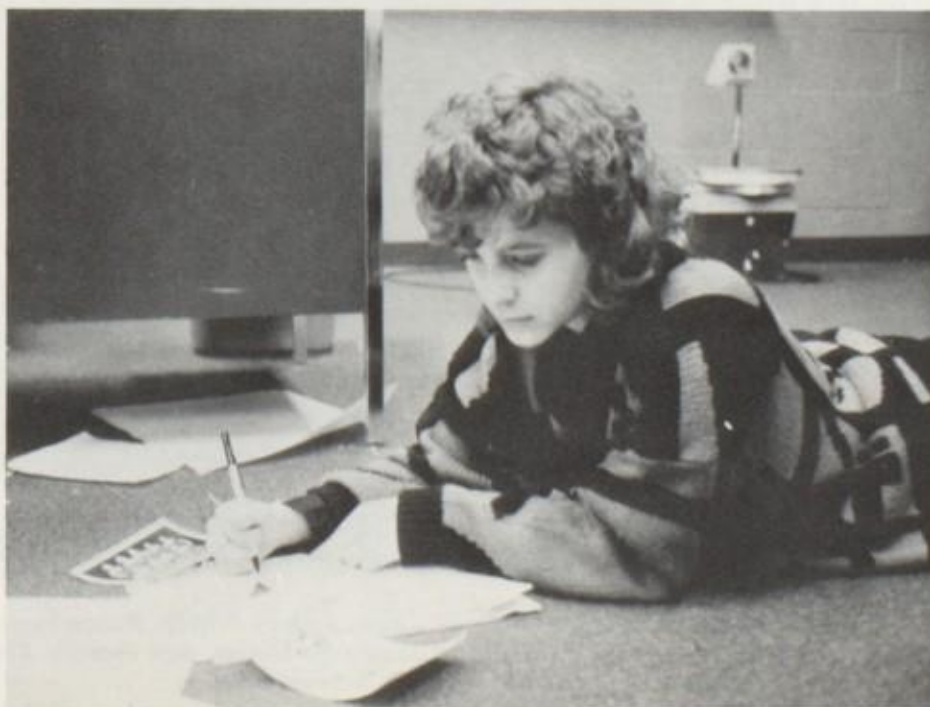

Few people realize how very difficult it is to tie together an entire year of classes, faculty, sports, activities, shows and events into one book and to equally represent the variety of people involved in these things. The Yearbook Staff has pushed hard to meet its deadlines all year, and we did it!! We're proud of this 50th edition of the Wecomi and hope everyone appreciates and enjoys the book as much as we enjoyed working on it. Of course, all the people who contributed to the production should receive their well deserved thanks!

OFFICE EDUCATION

This year, Central's students continued to be exposed to various useful office skills, via Office Education. The students' typing skills, manners, etc ... were all perfected as the year progressed. Office Education has been provided through exposure to actual office experience, so that the students will be better prepared for life beyond school, as well as for future office work. Some of this experience is gained through the co-op shop which is run by the O.E. members.

If one likes working with people, H.E.R.O. (Home Economics Related Occupations) is the group to join. Mrs. Reilly instructs these students, who after a half day of school or such, spend at least fifteen hours a week in a home economics related job. Students are employed in restaurants, retail or service businesses, as teachers aids, nurses, etc., The emphasis is to work with people. Students view films and participate in many classroom discussions in order to prepare them for the working world.

DIVERSIFIED OCCUPATIONS/V.I.C.A.

Members of the Diversified Occupations, after having their daily hour of training to better prepare them for their diversified range of jobs that they began after class, left the building to continue their education outside of the school's atmosphere. These students, who were also granted membership to VICA (Vocational Industrial Clubs of America) were able to test their newly developed skills in several downstate competitions.

DISTRIBUTIVE EDUCATION

Though many kids envy the Distributive Education students, who leave the school sometime between 1st and 5th hour, these students are actually busy, hard at work, preparing for their futures. Either saving money for college, or getting an early start on their lives, the DE students are on the ball and ready for whatever comes their way.

WHEATON CENTRAL SHOW CHOIR

ROW 1: Pam Gabbard, Beth Holum; ROW 2: Katy Bruke, Amy Pape, Dagny Latimar, Julie Daley, Jenny Colby, Sarah Kidder; ROW 3: Angie Wolf, Sarah Kincaid, Ann Pape, Allison Gardner, Laura Johnston, Colleen Mini, Sessie Schomas, John Diehl, Dan Muir, Chris Rizzi; ROW 4: Erik Snowbeck, Chris Mancini, Bill Muir, Jim McCann, Mike Svolos, Jason

Kaukman, Scott Stone, George Obert, Pat Smith. NOT PICTURED: Larry Ricken, Brad Wood*, Deric Perry*, Annie Huang*, John Barcanic*, Chuck Hennessey*, Tom Arnfield*, Sue Kim, Dave Foos*. ("*" indicates band member)

The Wheaton Central Show Choir continued to delight audiences with its talent and enthusiasm. The Show Choir performed for people of all ages in the Chicago area in places ranging from grade schools to private clubs. In addition to performances at home, the Show Choir traveled to St. Louis where audiences were impressed by the group's professionalism and talent. All the members of the Show Choir said that they felt privileged to be a part of the group and to work with multi-talented director, Micheal Clementz, and that their only regret was that the year had to end.

Emcees: Jeff Temple and Carol Lucas.

One of a kind accompanist: Colleen Mini.

With the amount of talent stuffed inside the students of Wheaton Central, this year's Variety Show was a definite success! All three performances were enjoyed by two sold-out shows and a family matinee. It had everything from fill-ins to piano solos to dancelines to rock bands. When you add Jeff Temple and Carol Lucas as emcees, and Mr. Gerace as the director and producer, how could the show have possibly been a failure?

"Blending the Old with the New." was the theme of this year's show. Considering this year's remodeling of the large auditorium, it certainly was suited for the show. The show followed its theme well. After the opening fill-in, the tap-dance line started off the show. The performance continued to "wow" the audience with the show choir, Colleen Mini's and Mr. Blaus's piano solos, the songstresses, all the other song solos, the jazz band, the dance solos, the rock bands, the jazz danceline, and, of course, the senior women's danceline. In between acts, while the tech crew was frantically setting backstage, the fill-in performers entertained their audience with a stand-up terrorist comedian from Kuwait (Sunita Advaney) who doesn't speak English and her interpreter (Chris Mancini), an Arab attempting to buy a car (Grant Keller) from an Italian (Charlie Jensen) and a Jew (Keith Spengal), THE CONTINUING ADVENTURES OF MR. PAT GORA (Grant Keller & Jeff Temple), a peek of what "Really" goes on in the teacher's lounge (Fill-in cast), and a visit from Officer Nasty to a young classroom (fill-in cast.)

As the show reached its conclusion, the closet singers and musicians in the faculty used the Variety show as an opportunity to show their talents. Then, the finale reached its height as (who else?) the Senior Men's Danceline got the girls screaming as they danced to Bob Segar's "Old Time Rock'n Roll" and formed a kickline to "One" from *A Chorus Line*! The Variety Show, overall was a smash.

Indoor soccer will never be the same! Sometime in early November, John Nelson, the manager of Glen Ayre Indoor Sports Club, Carol Stream, received a call. Another soccer team wanted to enter in the under 19, A league. The only difference was that this was no ordinary soccer team. It was the Shankers! From the first game, soccer was revolutionized by 16 of the craziest players ever to take the field. Of the original 16 players, only 4 had ever played organized soccer previously. That left 12 Shankers who had no concept of what indoor soccer was about. Did it matter? That question was quickly put to rest. The Shankers were not there to learn how to play soccer. They were there to teach the rest of the league how to play Shanker Soccer.

Billy Kohley had a vision. What did he see in this vision? 16 Seniors from Wheaton Central transform an ordinary indoor soccer league into pandemonium. These Seniors reached every social order Central had to offer. From football players to rodeo clown to aquatic ballet artists, each having his own unique characteristic that made him a true Shanker. The Shankers were the roughest, most penalized, most undaunted team in the league. With Chris Kouzes drawing more penalties than the other teams combined, Bill Schaeffer "decapitating" goalies every other week, and other unnamed individuals who thought they were still playing football, the Shankers literally bruised their way through an undefeated championship

season. To top it off, the owners of Glen Ayre, who refused to ever let the Shankers play there again, were the ones who had to give the Shankers the 16 trophies that signified their glorious victory.

Unfortunately, there will never be another Shanker game. The Shanker's soccer career ended with the Class of '86 and the championship game. For all those who participated actively on or with the Shankers, the ever-living memory of the 3-1 Shankers championship victory will never be forgotten. It is truly remarkable that 16 students could form a team, and win a championship in a sport they had never played. That is what the Shankers were all about.

The Shankers owe much thanks to some very special people: Mr. Leadbetter (Head Coach, Top Shanker), Mr. Circelli (Shanker jerseys), Matt Anderson and Dan Kennedy (co-captains), Bill Kohley (Manager, M.V.P.), Tony Kim (Public Relations), John Tagye (President of Shanker Fan Club), and Sarah Kincaid and Angie Taheri (Team prestige). They would also like to thank Janet Kim for keeping up student interest by putting the Shankers in the school paper. The most thanks go to the true Shanker fans who followed us through the season, and at the Championship game. On this note, the Shanker's ask that everyone remember the Shanker motto: *We Don't Care!* and to those 16 guys who made the Shankers what they were, remember, once a Shanker, always a Shanker!

AS TIME GOES BY

As the 85-86 school year draws to a close, we can look back at those events of the past that made this year most memorable. New items as well as cultural events and entertainment are the two areas of the year that best summarize both the happy and the sad memories that we have collected.

The many flights of the Space Shuttle Challenger will always live in our hearts, for they signify the start of a new era in space technology. Also, the presence of Halley's Comet kept us aware of the space around us. The greatest "human interest" story resulted in our hearts being torn by the growing AIDS epidemic, which was further strengthened by the shocking death of actor Rock Hudson. Fortunately, doctors and scientists are continuing to work on the cure for this terrible disease. Another event of the year, although not too surprising, was the continuation of the Cola Wars. The withdrawal of the "Old Coke" formula from the market, and being replaced by "New Coke" stunned the Nation, although perhaps unfortunately for the Coke Company, the public opinion was negative. As a result, the "Old Coke," now Coca-Cola Classic, was brought back in addition to New Coke. The final, and most controversial issue of the year was the decision to allow the sale of liquor in Wheaton. Despite a tight struggle, the amendment was passed, and it can now be truly said that "Wheaton has it all!"

Aside from the news events, many cultural and entertaining events took place. The performances of Mikhail Baryshnikov both on stage and screen thrilled audiences everywhere. Also, the extended engagement of the Broadway musical CATS further developed our appreciation of the arts. If we felt like an evening at home, we could watch *Moonlighting*, or the newest American heart-throb Don Johnson on *Miami Vice*. For those of us who are "in to" sports, the fantastic Bears' football season never ceased to provide both entertainment and a feeling of triumph that allowed Bears' fans, both old and new, to finally say "We did it!"

With smiles on our faces, and many memories in our hearts, we can look back at the events of the 85-86 school year, and remember those moments that were most meaningful to each of us.

CATS

FACULTY FUN

"Whew, Bill! I never knew you had such good legs!"

"Mary Lou, you card!"

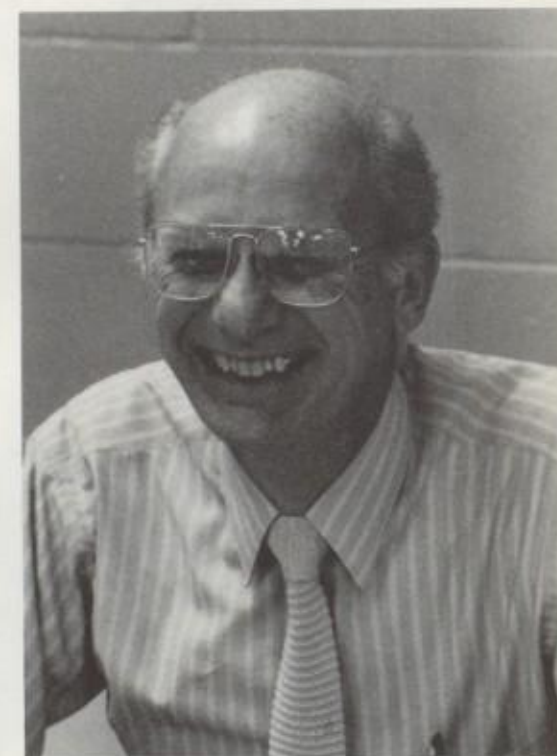

"T.G.I.F.!"

"Yummm!"

"Now that's Italian!"

"I don't get it."

"How many times have I told you not to stick your gum in the typewriter?"

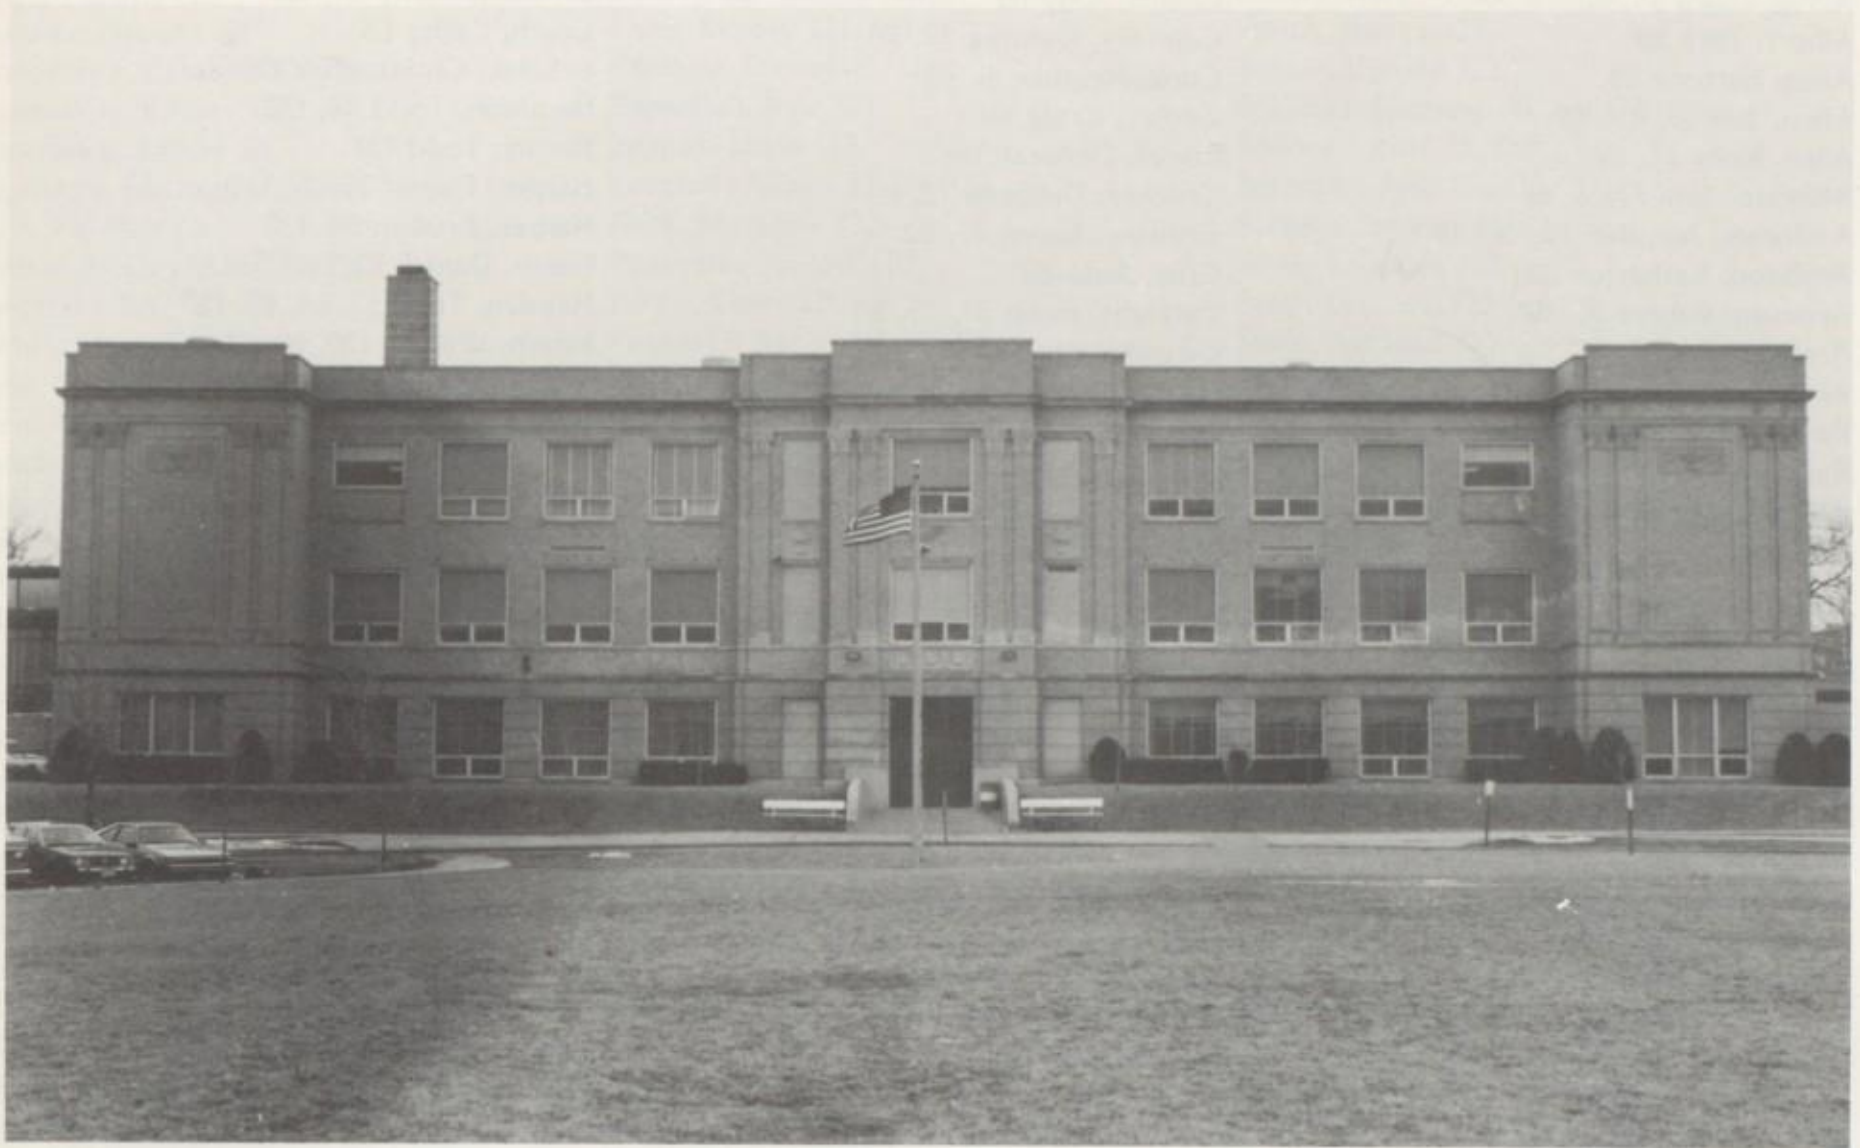

"Now wasn't that exciting?"

"I want my mummy!"

DEDICATED TO . . .

The 1985-86 Yearbook staff would like to thank and dedicate this year's book to Mrs. Mary Brock as well as all the students who have passed through Wheaton Central's doors in the past 50 years.

For well over a decade, Mrs. Brock, without regard to her own physical ailments, totally dedicated herself to Wheaton Central and its students. Ignoring the personal suffering her skin disease caused, she always strove to ensure the comprehension of reading in her students in that upstairs corner of the building known as "Reading Lab." Few teachers had so active an attendance at the sports events and school activities. She is certainly to be commended, for through all the trifles, that smile never left her face. She had to leave teaching this past fall due to the severity of her ailment. We thank and commend her for her active interest in the students, both academically as well as in extra curricular events. As a small token of our gratitude, we would like to dedicate this year's book to her.

Many, many students, after having received their Wheaton Central diplomas, have gone on to do great things! W.C.H.S. is very proud of its alumni. For example: Sandy Wolsfeld went on to become Miss U.S.A./Universe in the early 70's, Karen Wiesbrook became a Miss Illinois and went on to the Miss America Pageant, Mr. Reber invented the electronic telescope that in turn has yielded several new discoveries, Jim and John Belushi were well known T.V. and movie actors as well as Dennis Dugan and Jim Sutorius, and Bob Woodward helped to reveal the Watergate case. However, every student in their own special way has contributed to the success and respect of Wheaton Central High School and will continue to do so in the future. We thank and dedicate this book to all of them.

SPECIAL THANKS

TO

Finishing this year's book was definitely an experience, not to mention a relief to me. Being editor was one of the most interesting and rewarding experiences I've ever had. I was glad to be able to have an influence on the outcome of this year's book. My most sincere wish is that everyone will appreciate and enjoy the book as much as the Staff and I did producing it. Of course, many people helped me out, and I can never fully express my gratitude to them. I hope they know how much I appreciated all the help everyone contributed! This page is to recognize and thank those that really helped to make the 50th Wecomi as good as it is!

I can't find the appropriate words to thank Pam Morton! She was my right hand woman! Last fall, she approached me and asked to be Senior Editor. She was getting into more than she realized! Not only was she easy to work with on the Senior section, but when no one was there to do the Junior section, Pam jumped right in and took over. She was always there for me, when I needed her. No other book in recent years has had so complete a Senior Activities section. No one so readily lent their help and encouragement to me more than Pam. She stuck through those all night deadlines with me until it was all finished. Thank you Pamecita!!

Sunita Advaney was also a great help to me! Not only did she print pictures, she took many of them too. Sunita was also kind enough to help take over index when Stephanie Kwiat moved. I thank her also for the last minute copy, layouts, and especially the typing. Great job, Sunita!

The Sports section would be incomplete had it not been for Steve Eckelberry. The athletes will enjoy browsing through these pages thanks to the many pictures he gave the Staff to work with. The "Wheaton Leader" should also be thanked for allowing us to use many of their pictures in the book. Thank you, Steve!

Megan Bryan did a nice job on the Sophomores and finished it quite quickly with the help of friend. Thanks, Megan. That was a large worry off my mind!

Tracy Artman timidly came to me in the beginning of the year and asked to be Freshman editor. I somehow knew she would come through for me. She finished on time with the help of Monika Koriakin and Aimee Leidig. It's a really nice part of the book, thanks to them. Everyone thought that Tracy was my little sister, so I'd like to thank my newly adopted little sister for doing such a great job!

Ann Pape, copy editor, was always willing to do a write up, or revise my sloppy ones. I thank her not only for her help, but for her constant support.

Sharon Riggall should be thanked for her help on the Faculty section as well as other various parts of the book. I really appreciate it!

Robin Zalewski, though involved in other things, found time to help out on the activities. It is a large section with a lot to do, and it wouldn't have been finished without her. Thanks Robin!

Bill Muir and Myron Hsu were a great asset to the Sports section. They were always running to get scores, or contact coaches for copy or numerous other time consuming tasks. Thanks for your help, guys!

Index was an interesting section, which was almost held back due to slight problems along the way. The workers were great though! Stephanie Kwiat was an excellent worker and began the yearbook index for the first time on computer. The Staff was certainly sorry to see her leave when she had to move to Wheaton North in February. Mary McCall more or less took over as editor due to my pleas, and did a great job catching us up. I especially thank her, because it was such a big job and she stuck through until it was completed. The slight setbacks, though really no one's fault, ranged from losing the Sophomore class list to the pressing of a few wrong buttons and the complete erasure of the master index, which happened just two days before the book was to be turned in. Oh well, what matters is it was corrected just in time.

After many sketches on scrap paper, I finally decided just how this year's cover should look. Neha Desai perfectly portrayed my idea through her careful and beautiful artwork. She is a fast worker, but it always turns out looking awesome. She is really to be admired for her talent! I'd also like to thank her for all of the extra little work she did such as running errands and typing.

Many other people, though not in a specific area, were a enormous help to the outcome of the Yearbook. Kathy McCall was a major force in all areas, especially Index. I thank her for staying so late at my house those times when I really needed the extra help. Olga Economos was also vital to this book's production. She stayed many late nights at school with us doing anything I threw her way. She deserves to be called co-editor of Junior section, for all the work she completed in there. Heide Schroeder and Chris Roeder also spent hours in my kitchen typing away and putting things on finals. Laura Piech would frequently stop in and knock off a few pages here and there that I wouldn't have been able to get to. Cathy Woodhouse was a gift from heaven. She just suddenly appeared a few weeks before the final deadline and not only helped finish index, but helped in many other areas. Kaarin Tisue, Pam Swain, and Carol Smith were a great help in the Senior section. Jenny Esterman submitted several write-ups. Karen Zahrodney, J. Richardson, Dawn O'Neil, and Diane Knaus all lent a willing hand. Jay Knight, Alanna Walen and Terri Morton took many rolls of film for us. The list of people who gave bits and pieces could go on forever. I hope I haven't forgotten anyone, but I'd like everyone to know how much I appreciated every little bit of help!

My teachers, especially Mrs. Tate, and my track coaches, should be thanked for being so understanding about the demands made on my time and allowing me to constantly work on the book.

I thank my parents for allowing my house to become the Yearbook office away from school, and for not yelling too hard when I was still up working at 3 a.m.

The Staff and I heartily thank Mr. Elfstrom for all that he has done! He gives of himself and goes through all the hassles every year for the Yearbook. He should not only be thanked, he should be commended. I also thank him for the pizza and his support, guidance, patience, contributions, and constant encouragement! Thank you very much!

I'd also like to thank all of the teachers, students, and my friends for taking such an active interest in the outcome of the book. You all keep me going when I wasn't sure if I could stay up one more night. Thank you for all the help and encouragement!

Good luck everyone in all that you do!

Love,
Diana Corbett
